

Year 7 Overview								
Term	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Autumn 1	Number and place Value Count	Number and place Value Represent Numbers	Number and place Value Order and compare	Number and place Value Round numbers	Number and place Value Solve Number Problems	Calculation Use Written Calculation Add	Calculation Use Written Calculation Subtract	
Autumn 2	Calculation Solve Calculation Problems	Calculation Check	Calculation Use Written Calculation Multiply	Calculation Use Written Calculation Divide	Calculation Solve Calculation Problems	Calculation Recall	FDP Understand Fractions	FDP Convert Fractions
Spring 1	FDP Understand Percentages	FDP Understand Decimals	FDP Convert FDP	Measurement Understand Units of measurement	Measurement Make measurements	Measurement Solve Measurement Problems		
Spring 2	Geometry Make and Visualise Shapes	Geometry Classify Shapes	Geometry Solve Shape problems	Geometry Describe Position	Geometry Describe Movement	Ratio or Number consolidation		
Summer 1	Statistics Interpret Data Number consolidation	Statistics Present Data Number consolidation	Statistics Solve Data Problems Number consolidation	Algebra Understand Formulae Number consolidation	Algebra Solve Problems Number consolidation			
Summer 2	Algebra Describe Sequences Number consolidation	Revision	Revision	End of Year Assessments	Gap Filling based on Assessments	Gap Filling based on Assessments	Gap Filling based on Assessments	

Year 8 Overview								
Term	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Autumn 1	Number and place Value Count	Number and place Value Represent Numbers	Number and place Value Order and compare	Number and place Value Round numbers	Number and place Value Solve Number Problems	Calculation Use Written Calculation Add	Calculation Use Written Calculation Subtract	
Autumn 2	Calculation Solve Calculation Problems	Calculation Check	Calculation Use Written Calculation Multiply	Calculation Use Written Calculation Divide	Calculation Solve Calculation Problems	Calculation Recall	FDP Understand Fractions	FDP Convert Fractions
Spring 1	FDP Understand Percentages	FDP Understand Decimals	FDP Convert FDP	Measurement Understand Units of measurement	Measurement Make measurements	Measurement Solve Measurement Problems
