

Y7/8 Football Match vs Woolston Brook 25.1.25

This match was about trying players in new positions and giving players who have earned their points their school footballing debut.

It's understandable that individual players want to improve their goals/assists records for their player profiles but the more important part is the way we play football and then the results will remain positive against stronger opposition.

Highlights of the 4 games were Harlie's thunderbolt strike, landing in the top left corner from just after the half way line. Tyler E and Jack B also had great games on their debuts and both managed to get on the scoresheet.

Big thanks to Macaulay, Charlie, Paul, Cameron, Paul, Jack B and Logan who all played as a goalkeeper at different points in the match.

Credit must go to Isaac D and George who officiated the game well, making good on-field decisions. Something that both can put on their CV's when applying for future jobs.

The results/goalscorers for each game were as follows
The goals for each match were as follows

Jake 1

Finish 5-0

The focus now must be on this Fridays match against Crosby High, where Y7/8/9 are all eligible to play, however to be picked, you must be in the Top 9 point scorers starting from last Friday- End of L5 this Thursday.

Player of the Match- Harlie- Brilliant attitude throughout, encouraging and praising teammates, also being unselfish in assisting players when he could've shot. Harlie also scored a goal of the season contender with his top left corner thunderbolt.
